

The **Tools-4-Rent!** service will have **4 types of tools** available for rental: **Hand Tools, Garden Tools, Ladders, and Power Tools.**

Tools are also *described* by 4 separate **power sources**: 110-240 Volt A/C electric (corded), 7.2-80.0 Volt D/C battery powered (cordless), gas-powered, and manual (no motor).

Category: Hand	Sub-Type	Sub-Option	Category: Garden	Sub-Type	Sub-Option
Power Source:			Power Source:		
(Manual only)	<b>Screwdriver</b>	phillips (cross) hex torx slotted (flat)	(Manual only)	<b>Digger</b>	pointed shovel flat shovel scoop shovel edger
(Manual only)	<b>Socket</b>	deep standard	(Manual only)	<b>Pruner</b>	sheer loppers hedge
(Manual only)	<b>Ratchet</b>	adjustable fixed	(Manual only)	<b>Rakes</b> (tine count)	leaf landscaping rock

<b>Accessories:</b>	(paired with power tool) Drill Bits Saw Blade Soft Case Hard Case D/C Batteries D/C Battery Charger Safety  Hose Gas Tank	7.2-80V  hat pants goggles vest	Either: (A/C or D/C only)	<b>Sander</b>	finish sheet belt random orbital
			Either: (A/C or Gas) Either: (A/C or Gas) (Gas only)	<b>Air-Compressor</b> <b>Mixer</b> <b>Generator</b>	reciprocating concrete electric

Revised: 9/19/2017

For this project we will assume any manually-powered tool related to **outside for landscaping work** is a **“Garden” Tool**.  
Whereas any artificially powered tool which is presumably used **indoors for construction** will be considered a **“Power” Tool**.
